Hello,

Thank you for your interest in hosting a fundraiser with us at Married to Massage. At Married to Massage “giving” is our culture. We believe in giving back to the community and are excited to partner with you and your organization to raise money for a great cause.

Here's how it works:

- All fundraising events should be scheduled for Monday-Saturday for up to one calendar month. This will allow us to provide the best possible experience for you and your guests.
- We will provide a master email promotional flyer with event information that should be used to promote your fundraiser. You will be responsible for sending the promotion to your email list. You will want to distribute promotional flyers to as many people as possible because the more you distribute, the more successful your event will be.
- At the end of your event, all transactions flagged as a fundraiser contribution will be totaled and 20-30% of the net sales will be donated to your organization/cause. The fundraiser check will be mailed to you within two-three weeks.

PLEASE fill out the lines below and return this form to Married to Massage by email at [marriedtomassage@gmail.com](mailto:marriedtomassage@gmail.com).
